

CALL FOR APPLICATION: DEMONSTRATOR/TEACHING OR RESEARCH ASSISTANT Academic Year 2024/25

The Institute of Research on Adult Education and Knowledge Management is looking for a teaching or research assistant (demonstrator) for the academic year 2024/25. The position is open from September 2024 in the following areas:

- research assistant tasks in one of the research groups of the Institute¹
- teaching assistant tasks;
- learning support, student tutoring in the english language program of the Institute (human resource counseling MA)
- organizational tasks in connection with the professional/academic programs organized by the Institute;
- creating new content about international events and opportunities for the website of the Institute.

The ideal candidate:

- is fluent in English
- is a high performer in their academic studies
- had some experience in research assistance/voluntary activity/project assistance/teaching support/editing website or social media site
- is interested in promoting and organizing student programs
- is able to work max. 5 hours a week

The demonstrator may be a student who has active student status at the Faculty of Education and Psychology or participates in any teacher training program of ELTE and does not perform the same work (being a demonstrator) at another faculty.

How to apply?

- application form ([download](#))
- cover letter and CV
- copy of certification of former studies (if applicable)

Please send your application via e-mail to fti@ppk.elte.hu. Please put 'Application for demonstrator' in the subject of your e-mail.

Deadline of application: 20/09/2024

Deadline of selection: 04/10/2024

The title 'demonstrator' is awarded by the Dean of the Faculty based on the submitted proposals and on the recommendation of the Head of Institute. The mandate is for two semesters.

The Head of the Institute reviews the application package including the recommendation letter of the head of the research group / associate professor/ assistant professor of the Institute. A copy of the recommendation letter should be attached by the student to the application. The recommendation letter must be signed or sent from the '@elte.hu' e-mail address of the teacher. If the recommendation is not available, the head of office of the Institute will notify the student that the application cannot be forwarded to the Dean.
