

CALL FOR APPLICATION: DEMONSTRATOR

The Institute of Education is looking for Teaching AND/OR Research Assistants to support the instruction and research related to the Educational Technology and Educational Management specializations of the Education Science MA program.

Ideal candidates:

- are fluent speakers of English
- are high performers in their academic studies
- have strong interest in and solid knowledge of the integration of digital technologies into teaching and learning OR educational management
- have research or practical experience in the area of educational technology (recommended) OR educational management
- have strong organizational skills
- are creative, flexible and can deal with stressful situations
- are committed to work a minimum of 10 hours per week

How to apply?

1. application form
2. motivation letter
3. CV
4. your transcript from Neptun that shows your grades from the previous two semesters

Please send your application via e-mail to: nevelestudomany@ppk.elte.hu

Please specify, whether you would like to apply to assist with instruction and research related to the Education Management ([Higher Education and Innovation Research Group](#), [Research Group for Education-Law-Pedagogy](#)) OR Educational Technology ([Research Group for Innovation and Equality in Education](#)).

To apply for the position, please write ‘Application for TA/RA position – Educational Technology OR Education Management’ in the subject line of your e-mail.

Deadline of application: September 17, 2021

Deadline of processing: October 8, 2021

*DEMONSTRATOR

Demonstrator can be a student who has active student status in any MA Programme of the Faculty.

The title can be won by application. The mandate is for 2 semesters (10 months). The title is awarded by the Dean of the Faculty, based on the submitted proposals and the recommendation given by the Head of the Institute.

In addition to the Head of the Institute, the student is commented on by the Tutor who supports the professional work of the demonstrator (he/she/they writes the recommendation). The Tutor is responsible for ensuring that the demonstrator can perform work on a regular basis. The specific tasks of the demonstrator are determined by the Tutor and the Head of the Institute.

The demonstrator is entitled to:

- join to research activities belonging to the Institute
- take part in professional events
- if the institute regularly does not perform the substantive indicate this fact to the Student Union

In each Spring semester, a demonstrator may apply for a scholarship to the Student Union, in which the recommendation by the Head of the Institute must be attached.

Dr. Anikó Fehérvári
